

Aum Amriteswaryai Namaha:

Attention to all Devotees!

NOTE: Devotees must receive darshan from Amma only ONCE during 25th, 26th or 27th of September 2015

The time cards for darshan can be received at 7 am on the 25th and the 26th of September. The cards will be distributed to the devotees based only on the devotees' seat positions. The time cards can be exchanged for darshan tokens only after Amma arrives on the stage.

Only devotees who have time cards and are seated in their chairs are eligible for darshan tokens.

The time cards will be distributed to the devotees only for a period of time. After the distribution of darshan tokens in exchange for time cards, the devotees who do not have time cards can still avail the darshan tokens from the **darshan token counter**.

Time cards/Darshan tokens must be taken for children and babies also.

Only when the devotee(s)' current token number/alphabet is displayed on the display board(s) should the devotee(s) proceed to join the queue for Amma's darshan.

The devotees who did not go for darshan on the 25th and the 26th can obtain time cards from accommodation counters on the 26th. These time cards that are obtained from the accommodation counters on the 26th can be exchanged for darshan tokens on the 27th based on the seating positions of the devotee(s). Only after distributing darshan tokens to the devotees who have time cards, will further distribution of darshan tokens for devotees without time cards take place.
